### **Breaches of the Policy**

All breaches of the policy will be rigorously followed up using the appropriate procedures and reported to the Governing Body and LA as required.

### **Policy Planning and Review**

Whilst we have had a duty to develop and publish equality schemes in relation to both gender and disability and a race equality policy, we at The Deanes School are considering all aspects of diversity and equality in this comprehensive policy to be followed by a revised specific equality action plan with clear objectives in relation to all strands covering a four-year period to be effective by the required date of April 6th 2012.

### **Policy planning and Development**

In the planning and development stage of policy-making, we will ensure we have consulted and taken into account stakeholder views.

All improvement plans will be designed with an element of impact assessment built in to monitor the success of each activity.

All objectives will be specific and measurable with clear progress evaluation methods.

There will be a systematic review of the impact of all policies and procedures on equality and diversity to address any areas of inequality.

Our target-setting processes ensure appropriate, challenging targets are set in relation to identifiable groups as well as individual pupils / cohorts.

### **Monitoring and Quality Assurance**

Each pupil's progress is monitored and tracked. The resulting data is analysed in respect of gender, race, ability or additional needs, looked-after status.

In addition to monitoring to rule out any potential disadvantage, quality assurance procedures ensure the school meets its duty to positively promote diversity. (E.g. Lesson observations record evidence of differentiation and texts are reviewed to ensure appropriateness and inclusivity.)

The data collected is used to inform further school planning, target-setting and decision making.

The impact of school policies on all aspects of access, admission and exclusion data will be considered.
